## ABOUT US

### More than a century of caring

Founded in 1888, Ryerss Farm for Aged Equines is the country's oldest non-profit organization of its kind. We are dedicated to providing care and shelter for over 80 retired and rescued horses.

Located on 383 beautiful acres of rolling hills in southeastern Pennsylvania, Ryerss provides a wonderful facility where horses can live out their golden years in comfort and dignity.

At Ryerss Farm, our business is caring for aged, abused or injured horses, providing a home where they can spend their golden years out to pasture. The horses at Ryerss are never worked, go to auction or are used for experiments. They simply spend their days grazing and enjoying life with their friends, as part of the herd.
